

Lesson Plan 5 - Resource pack

Sanctuary - Quail Island Banks Peninsula

Pictures of birds that no longer exist on the island, those that currently inhabit the island and those that may be reintroduced

Nz Quail - Island named after them. Now extinct due to Maori and Europeans taking their eggs and killing them for food.

Blue penguin

Keruru feeding on cabbage tree fruits

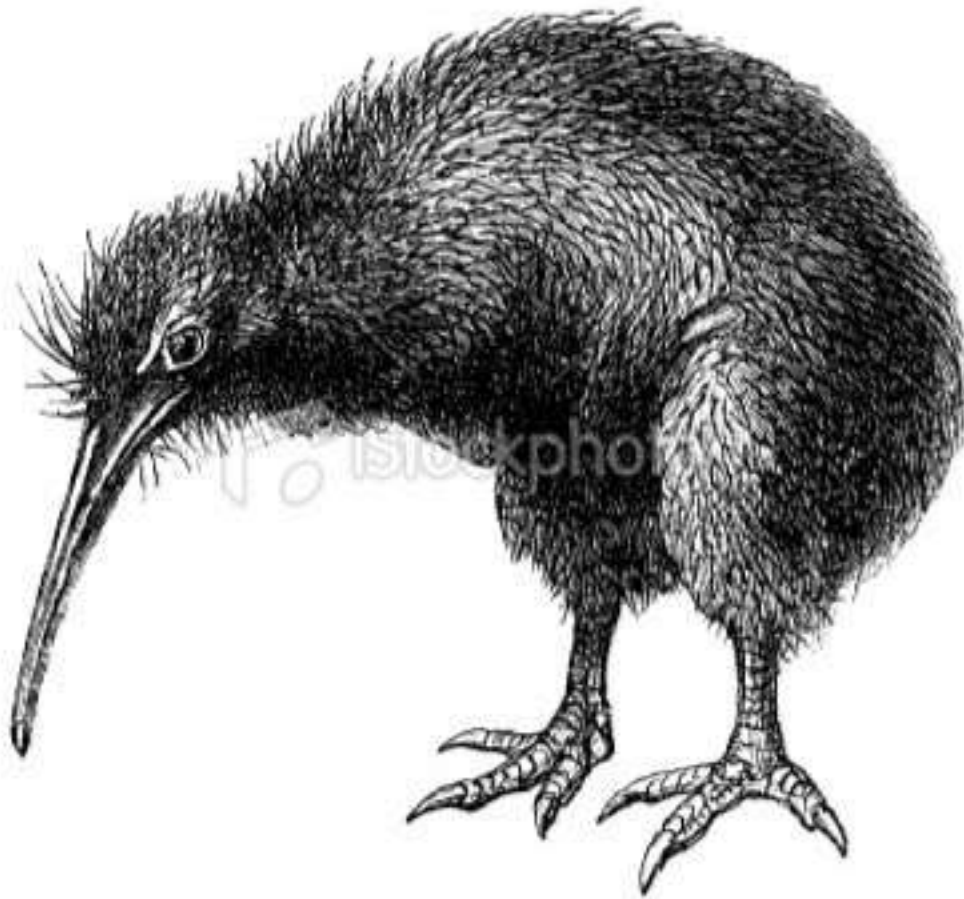

Pied Shags

NZ Quail
Pied Shag
Keruru

Kiwi
Possibly will
be re-
introduced to
the Island
