SUMMER HOLIDAY WORKSHOPS

(25 – 28 January 2011)

If you are 5–13 years old you can come and join one of COCA's fun summer holiday classes!

Each workshop is **\$35.00** (includes morning tea) and there is a maximum of 10 students per workshop.

The theme is **THE ZOO AT NIGHT**. What happens when they close the zoo and all the people go away? Enjoy using the colours of the night to create some sleepy and not so sleepy creatures.

The Sleepy Hippopotamus Paint a yawning hippopotamus with a moving jaw as he lurks in his sunset coloured pond.

Tuesday 25 January 10am-12.30pm

Spider Monkeys at Play. Use stencils to construct a cage of playful monkeys who are not ready for sleep yet.

Wednesday 26 January 10am-12.30pm

The Big-as-a-Couch Rhinoceros. Get up close and capture the wrinkles and horns of the dozing rhinoceros.

Thursday 27 January 10am-12.30pm

Beware the Alligator. He seems to be asleep but is ready to strike as he slowly climbs from his lake, with the rising moon reflected in his eye.

Friday 28 January 10am-12.30pm

Please note that the cut-off date for bookings is Wednesday 19 January.

The Centre of Contemporary Art continues to offer our popular general practice art classes every term of the school year. These classes cater for students from 5 – 13 years and cover a broad range of art practices.

Each term the classes are structured around a specific theme. Within the central theme, subject matter becomes more involved and diverse depending on the age and experience level and fresh activities are provided each term. Our classes are limited to 12 students to ensure that each student receives individual tuition from the tutor. The classes run in conjunction with the school terms and the course fees cover all materials and morning / afternoon tea.

Please note:

A current enrolment form needs to be filled out and returned with payment to COCA at the start of each term to secure a place in the class. Payment can be made over the phone, by internet transfer, cheque or by visiting the Gallery.

TERM 1 2011:

ART INSPIRED BY POETRY

Enjoy some funny poems and be inspired to create your own art work based on them. Why was the sardine scared when she saw her first submarine? Paint a hopping mad kangaroo. Meet Jocelyn the dragon and make your own frightening creature. How will you imagine Margaret Mahy's witch and what is really happening down on the farm?
